

ILFD - INTERACTIVE LARGE FORMAT DISPLAYS

TOUCH DISPLAYS - ENGAGE YOUR AUDIENCE

Professional, solid and robust. iiyama interactive large format displays are available in various sizes [32" - 86"] with either PCAP or Infrared multi-touch technology.

They are available in Full HD (1920x1080) or with a 4K (3840x2160) resolution, with three possible orientations – landscape, portrait and face-up. They feature only the best panel technologies, resulting in clear and detailed images from all angles, providing reliable and continuous performance.

ILFD's are easy to use and ready out of the box with zero software restrictions and suited for extended use, up to 24/7 a day. They can operate with almost all devices and software currently on the market or just as easy function as a standalone solution.

38 series
